September 2018

Welcome to our first issue of the Bandology enewsletter. We look forward to providing you with useful information and resources. Be sure to let us know what else we can do to help bring more music to more kids.

Lisa Michaels and Peter VanDuzer
Co-Founders

Bandology is a proud Canadian non-profit

Bandology is now a non-profit! We originally set up Bandology as a social enterprise, a organization dedicated to furthering music education, collaboration and community. As a registered non-profit corporation, we now have greater access to support and services, enabling us to better collaborate with school boards and other public sector organizations.

Our goal: more music for more kids.

Play a Gig

Sometimes it's easier to practice with a goal in sight. How about the chance to perform in the community? The Play a Gig program provides performance opportunities for small ensembles of student musicians.

Save the Date - Workshop at OMEA

Hey teachers: Lisa and Peter are presenting a workshop at this year's OMEA conference - **Build Your Music Program with Community Collaboration**.

Save the date for Saturday, November 3 at 2:45 p.m. in the Beckett room.

Band Camp

Our second annual band camp was a great success! We had more than 30 campers and mentors spend the week practicing, collaborating and performing, along with several professional musicians and music teachers from four school boards. The level of musicianship these kids can accomplish in just five days is astounding!

Save the Date - Band Camp 2019

July 8-12 is the date for our third annual Band Camp. Registration will open in the new year.

Our Services

We are pleased to support teachers, students and parents in strengthening and expanding school music programs. [Click here](#) for all our services; two are highlighted below:

Bandology creates customized itineraries for **band trips**. Whether you're planning a weekend retreat, a trip to a festival or competition or a longer band tour, we've done it and

can help you. As a non-profit, music teachers and their admin are assured that we are providing the best value trips for the money. [Click here](#) for more info.

We are looking to see what the interest level would be for professional **band photos** done, along with individual portraits of each musician with their instrument. Please [click here](#) to provide your feedback in a short survey.
